Homework Questions (pages 82-83)

Answer with short answers: bullets or phrases will work. You can write in complete sentences.

1. Explain why the world's population has grown so dramatically in the past 350 years.
2. A. List 3 activities that would help protect the environment if a lot of people did them?

B. How would these three activities help some environmental problems?
3. In numbers, how has the human population changed over the past 1,000 years?
