Fresh Water

Watch the Field Trip video on Land, Water, and Air then answer these questions.

1. Why is fresh water scarce?
  
  
  
  
  
  
  
  
  
  
2. If water is renewable, why do water shortages occur?
  
  
  
  
  
  
  
  
  
  
3. What are the probable sources of the insecticide being found in beluga whales?

Objective:
